1. TITLE OF THE CERTIFICATE ⁽¹⁾

Tisler I

⁽¹⁾ in the original language

2. TRANSLATED TITLE OF THE CERTIFICATE ⁽¹⁾

Joiner I

⁽¹⁾ if applicable. This translation has no legal status.

3. PROFILE OF SKILLS AND COMPETENCIES

Joiner of professional qualification level I machines blanks and manufactures components on unsophisticated woodworking machinery, processes wood by using easier methods of manual wood processing and assembles simpler wooden products.

Wood processing on fundamental woodworking machinery

- Adjustment techniques of woodworking machinery
- Reading a drawing
- Selection of a cutting instrument according to the product
- Replacement of the cutting instrument
- Start-up and shutdown of woodworking machinery
- Use of auxiliary tools and patterns
- Marking and measuring
- Sawing
- Milling
- Drilling
- Planning
- Reading drawings
- Measuring
- Visual assessment of the component's quality

Wood processing with hand tools

- Selection and preparation of materials and work equipment
- Selection, maintenance and sharpening of hand tools
- Marking and measuring on a blank according to sketch
- Preparation of process flow chart
- Wood processing with hand tools
- Manufacture of joints
- Execution of assembly work
- Assessment of work quality

Fitting of simpler timber products

- Selection and preparation of materials and work equipment
- Selection, exploitation and maintenance of fitting devices

^(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.

More information available at: <http://europass.cedefop.europa.eu/en/home>

© European Communities 2002

- Manufacturing main joints of components of wood, laminated timber and bent laminated wood
- Exploitation, maintenance and adjustment of equipment and rigs for joining wooden components
- Utilization of mountings made of other materials, used for wooden connection pieces
- Fixing minor defects of the product
