

1. TITLE OF THE CERTIFICATE ⁽¹⁾

Mootorsõidukidiagnostik, tase 5

⁽¹⁾ in the original language

2. TRANSLATED TITLE OF THE CERTIFICATE ⁽¹⁾

Vehicle technician, level 5

⁽¹⁾ if applicable. This translation has no legal status.

3. PROFILE OF SKILLS AND COMPETENCIES

A motor vehicle diagnostics technician performs diagnostics and repair work of passenger cars, trucks, buses and mobile machinery, analyses the failure cause, finds and corrects faults. He/she works independently and, if required, uses databases, catalogues and instructions of repair work. As a contractor, he/she bears responsibility for work safety and dangerous traffic situations that occurred as a result of maintenance and/or repair work. Constant professional development is essential.

A diagnostics technician may work alone and as a team member. His/her work presupposes communication with co-workers and customers. If required, he/she supervises the work of a motor vehicle technician. He/she guides and gives instructions for diagnosing faults. He/she supervises and helps to analyse the data collected by the technician for determining and mapping a more specific scope of repair work.

Competencies:

- Diagnostics and repair of engine electronics
- Diagnostics and repair of transmissions
- Diagnostics and repair of bus networks
- Diagnostics and repair of electrical devices and comfort systems
- Diagnostics and repair of control gear and chassis
- Diagnostics and repair of air conditioning systems
- Diagnostics and repair of safety devices
- Diagnostics and repair of hydraulic and pneumatic operational equipment of motor vehicles
- Diagnostics and repair of operational equipment of motor vehicles and their attachment mechanisms

Optional competencies:

- Diagnostics and repair of high voltage power installations of motor vehicles
- Diagnostics and repair of gas appliances of motor vehicles

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE ⁽¹⁾

Motor vehicle diagnostics technician, passenger car diagnostics technician, car diagnostics technician, truck and bus diagnostics technician, mobile machinery diagnostics technician, car mechanic, car electrician, maintenance foreman, technical condition inspector, technical adviser, technical consultant, foreman

^(*)Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
